VOIGT WUNSCH HOLLER advised Dover's Pump Solutions Group in connection with the acquisition of Quattroflow Fluid Systems

Hamburg, 12 January 2012. VOIGT WUNSCH HOLLER advised the Pump Solutions Group (PSG), a business unit within the Fluid Solutions platform of Dover Corporation's (NYSE: DOV) Engineered Systems segment, in connection with the acquisition of the business of Quattroflow Fluid System GmbH & Co. KG in Germany. Quattroflow is a leading manufacturer of positive displacement pumps incorporating a four piston-diaphragm technology with no mechanical seals, driven by an eccentric shaft and motor.

The following team led by lead partner Dr. Oliver Wunsch (VOIGT WUNSCH HOLLER, Hamburg/Germany) advised Dover's Pump Solutions Group on all legal aspects of this transaction:

VOIGT WUNSCH HOLLER (Hamburg/Germany): Dr. Oliver Wunsch (Lead Partner; M&A, Corporate), Dr. Helen Mahne (Corporate)

Gragert Stamer (Hamburg/Germany): Dr. Katrin Stamer (Employment)

SBR Schuster Berger Bahr Ahrens (Düsseldorf, Hamburg/Germany): Dr. Sascha Dethof (Antitrust)
