VOIGT WUNSCH HOLLER advises Markem-Imaje Group on the acquisition of Heidelberg CSAT GmbH

Hamburg, 20th January 2014. VOIGT WUNSCH HOLLER advises the international Markem-Imaje Group on the acquisition of all shares in Heidelberg CSAT GmbH, a subsidiary of Heidelberger Druckmaschinen AG with registered seat in Heidelberg.

Markem-Imaje Group is a worldwide recognized leader in the coding and marking market and is part of the Printing and Identification (DPI) segment of Dover Corporation, USA. Markem-Imaje and DPI see CSAT's business and their ink-jet product lines as a key strategic fit for their business that will enable to strengthen their position in industrial digital printing, notably in the pharmaceutical market and in applications of digitally printed labels for the consumers' goods industries worldwide.

Dover Corporation is a diversified global manufacturer with annual revenues of over \$8 billion. Dover focuses on innovative equipment and components, specialty systems and support services through its four major operating segments: Communication Technologies, Energy, Engineered Systems and Printing & Identification. Headquartered in Downers Grove, Illinois, Dover employs 35,000 people worldwide. Dover Corporation is traded on the New York Stock Exchange.
